Kathleen: Many thanks for the call...and apologies for not responding yet. I've been on travel.

We won't schedule anything with Gov. Brown until after the Administrator is briefed...and looks like we'll do that this afternoon.

Thanks, again,

Mark

I am assuming that R9 will take the lead on materials. Please let me know how OW can help. I am traveling through tomorrow, but can get on a call if you like.
Ken

Hey, R9 and Ken.

Gov. Brown is looking to have a call with the Administrator. Topic is their Water Fix plan. As the comment period is closing, the Governor wants the Administrator to understand the state's policy rationale.

Stay tuned...but if folks can start readying relevant points for the call. Liel and I will let you know when it gets scheduled for.

Thanks,
Mark
